

Davis Park Refuse District

2021 Collection Schedule & Guidelines

- Solid Waste & Bulk Item Collection
 - Tuesdays: March 16 through November 30
 - Fridays: May 7 through September 3
 - All solid waste must be bagged, loose waste in cans will not be picked up.
- Recycling
 - Tuesdays: March 16 through April 27 then September 14 through November 30
 - Fridays: May 7 through September 3
 - Paper/Cardboard recycling must be placed separated of plastic/aluminum items
- Winter Pick-up: None, please call for special arrangements
- Holidays: No collection, will be rescheduled to the next business day

Pick-Up Location: Please make sure all items are placed in front of premises, adjacent to and not more than 5 feet from the nearly public walkway by 6 a.m. on day of pick up. Please cover containers tightly to discourage animal intrusion. Cans should be limited to 50 lbs. for the safety of our staff.

Bulk Items: Please email Carting@BrownieNY.com or call (631) 750-5325 to make arrangements for bulk pick-up. Limit 4 items per location per week. Refrigerators must have doors removed, Mattresses and box springs must be placed in a plastic disposal bag.

Landscaping Debris: All landscaping debris must be in sturdy plastic bags & all branches must be bundled and tied (max. 2'x4'). Limit 5 bags per week, please call to arrange pickup of excess.

Contractor Debris: Any and all contractor debris must be removed by special arrangement. Please call (631) 750-5325 to schedule. Please be aware it is illegal to stack wood or other debris on public property. Dumpsters are available upon request.

Recycling: Place the following items in your recycling container. Excess recyclables may be placed in clear plastic bags only. Additional approved containers, if desired, are available for purchase from the Town of Brookhaven. Please note that glass cannot be commingled with other recyclables and should be placed in a separate bag or with regular solid waste.

- **Metal Cans**
 - Rinsed clean; labels, caps, and lids need not be removed. Do not crush. Aerosol spray cans are acceptable with plastic caps removed.
- **Plastic Containers (#1 PET & #2 HDPE)**
 - Rinsed clean, look for number in triangle symbol on bottom of container; labels, caps and lids need not be removed.
- **Aluminum Foil & Foil Pans** must be rinsed and crumpled
- **Paper Products**
 - Packed in brown paper grocery bags or tied in bundles with twine; no plastic bags nor plastic string/wire. Acceptable mixed paper includes newspapers, mail office paper, catalogs, color inserts, magazines, envelopes, sweepstakes, copy paper, forms, school paper, construction paper, book pages, index cards, post-its, legal pads, wrapping paper (non-metallic), greeting cards, NCR paper, phone books, shredded paper.
- **Corrugated Cardboard** must be flattened and tied with string (no plastic tie/wire)
